About the Vocera Platform Staff Assignment Guide

The Vocera Platform Staff Assignment Guide describes how to perform tasks using the Vocera Platform Staff Assignment application.

You can use this document as you work with Staff Assignment, and you can get the same information from the console's context-sensitive help. The organization of this guide generally matches the layout of the Staff Assignment console.

Getting Started With Staff Assignment

To start using Staff Assignment, you must first log into it.

After you have logged in, online help is available.

Logging Into Staff Assignment

You can typically log into the Vocera Platform Web Console using the credentials you provide for other applications in your organization (your Active Directory credentials).

Use the following steps to log into the Vocera Platform Web Console using Active Directory authentication:

- 1. In your browser, type the URL of the Vocera Platform Web Console that your administrator has provided for you.

The Vocera Platform login screen appears.

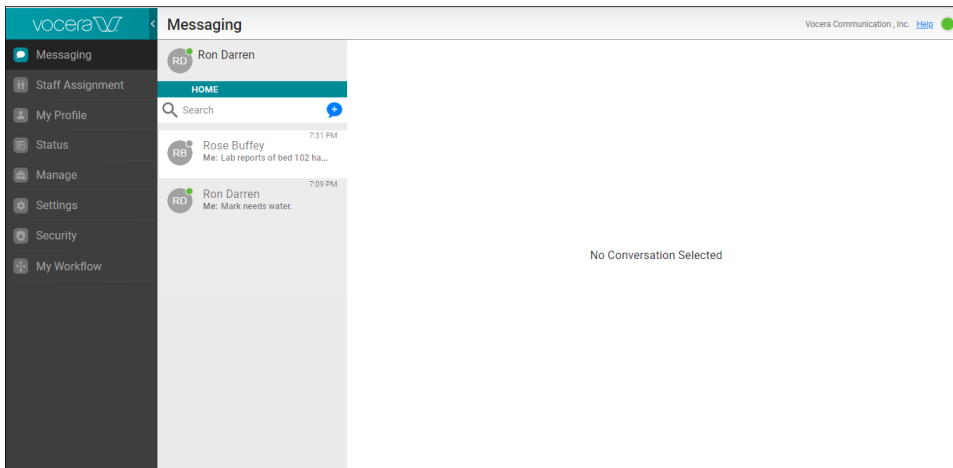

- 2. Specify the following values:

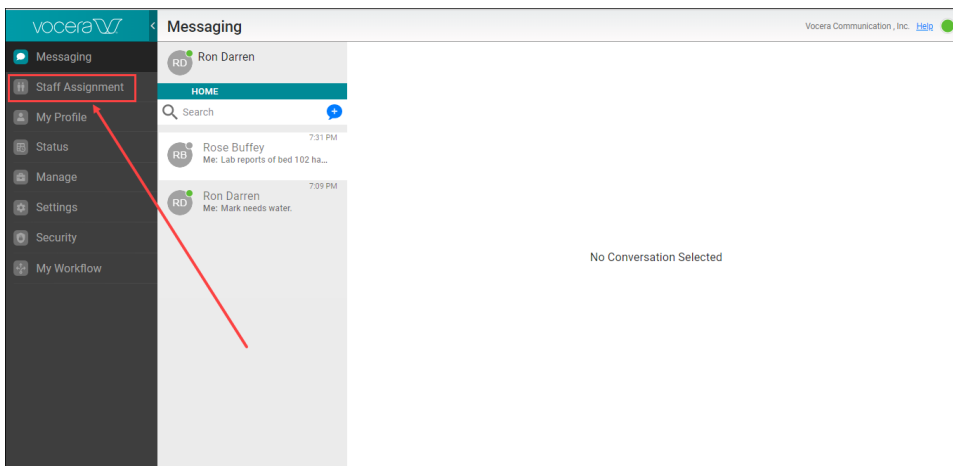

Field	Description
Username	Enter your username (up to 250 characters).
Password	Enter your password (up to 127 characters).

- 3. Click **Log In**.

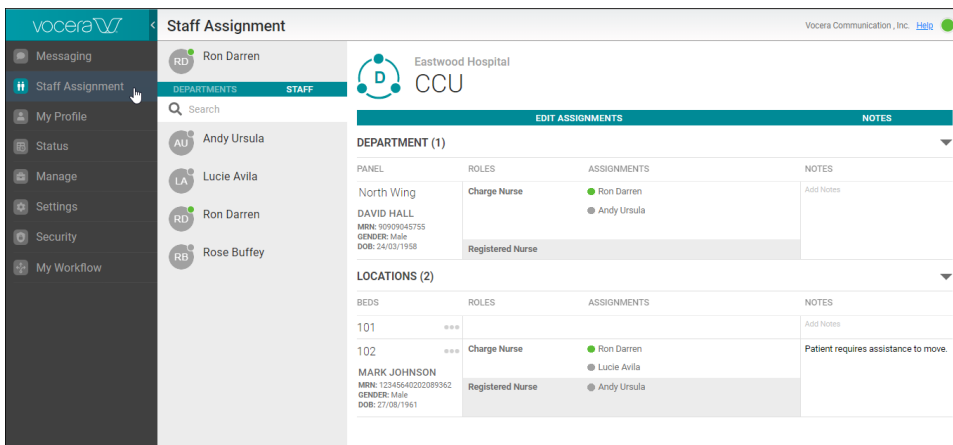

The Vocera Platform Web Console screen appears.

4. If the Staff Assignment page is not visible, select **Staff Assignment** from the panel at the left.

The Staff Assignment page appears.

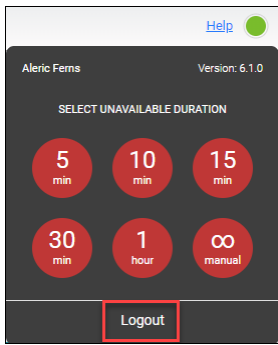

Logging Out

When you are finished using the Vocera Platform Web Console, log out.

To log out from the Vocera Platform Web Console:

1. Click the presence icon in the top right corner of the Vocera Platform Web Console.
The presence dialog box appears.

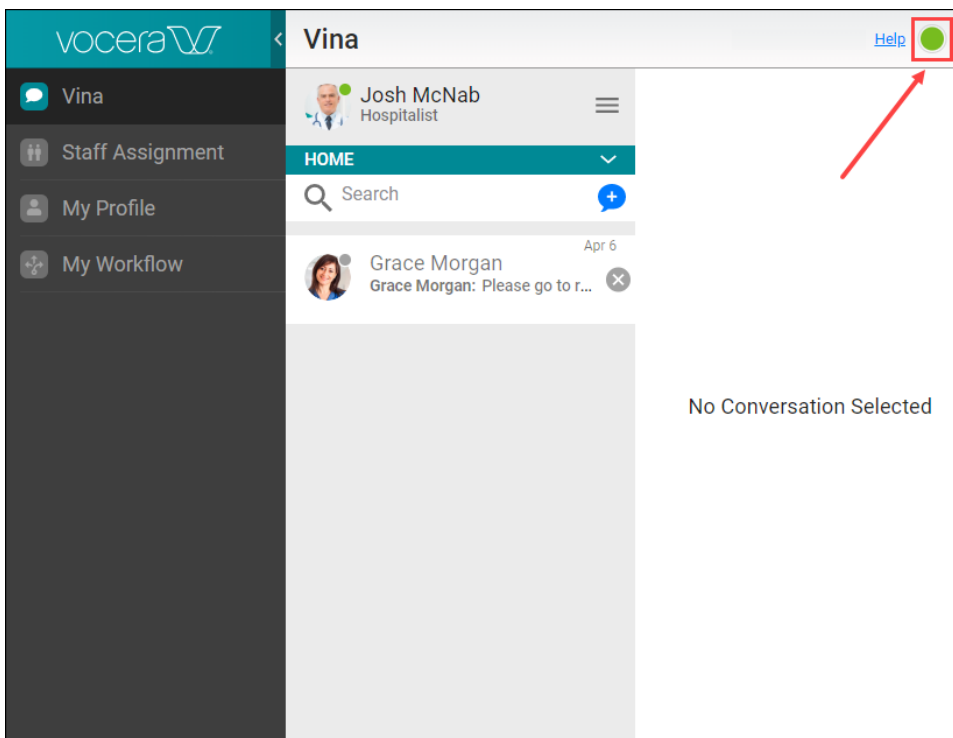

2. Click **Logout** at the bottom of this dialog box.
The system logs you out.

Setting Presence and Availability

You can specify that you are unavailable, either for a specified period of time or until you make yourself available again.

To specify a period of time in which you are unavailable

1. Click the presence icon at the top right corner of the Home screen, as shown in the following screenshot.

A popup menu appears, displaying a list of options to select.

2. Select one of the following:

- Click one of the options in the **Select unavailable duration** section to specify that you are unavailable for a predefined period of time. After this time has elapsed, you are listed as available.
- Click **Manual** to specify a custom unavailability interval. You remain unavailable until you make yourself available again.
- Click on one of the options in the **Select a custom preset** section. The custom preset feature is available only if this feature is enabled by your system administrators.

When you have specified an unavailability interval, the presence icon turns red indicating a DND or unavailable status.

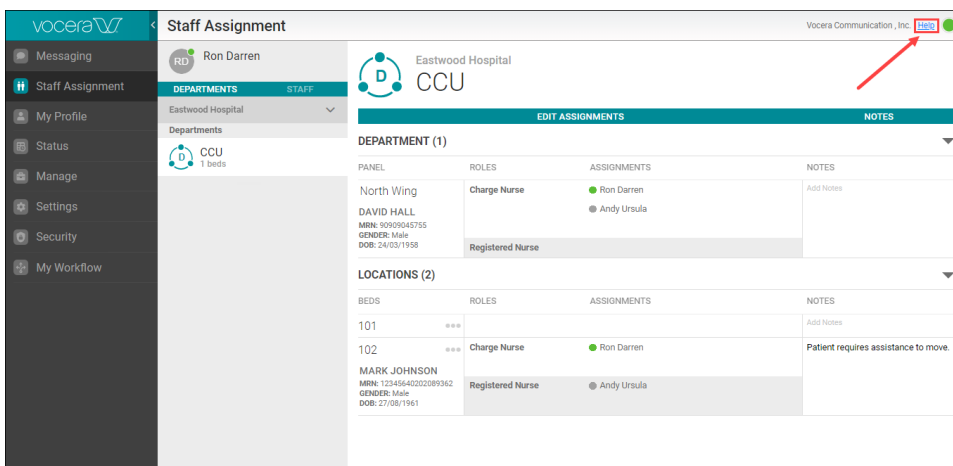

You can click the red presence icon again to revert back to an available status indicated by a green color.

Viewing Online Help

You can access an online version of this guide from the Vocera Platform Web Console.

To view the online help:

1. Click the help link at the top right corner.

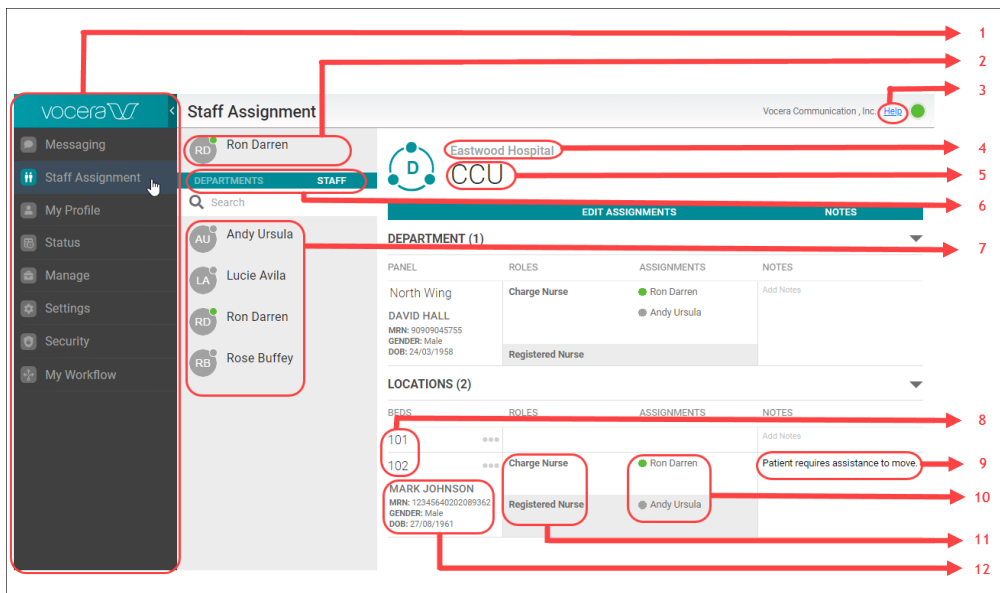

An online version of the Vocera Platform Staff Assignment Guide appears in a separate browser tab.

The Staff Assignment Home Page Layout

This topic describes the layout and the user interface controls available in the Staff Assignment module.

The following figure shows the basic user interface controls in the Staff Assignment module:

The following table describes the basic user interface controls in the Staff Assignment module:

Number	Description
1	This is the Navigation Panel. It provides quick access to the various areas within Vocera Platform. As new modules are made available within the Vocera Platform, the navigation panel expands to include those modules too.
2	Displays the name of the logged in user.
3	Web link to the context-sensitive help.
4	Displays the facility name.
5	Displays the department name.
6	Displays the two main tabs within the Staff Assignment. The tabs are: <ul style="list-style-type: none"> Departments—Displays the departments within the selected facility. Staff—Displays the staff members within the selected department.
7	Displays the names of the assigned staff members within the selected department.
8	Displays the bed number.
9	Displays the notes about a patient. Notes indicate specific information about the patient and are helpful for staff members to take decision accordingly.

Number	Description
10	Displays the names of staff members that are currently assigned to a patient.
11	Displays the roles of staff members that are currently assigned to a patient.
12	Displays the details of the patient such as patient name, MRN number, gender, and date of birth.

Using Staff Assignment

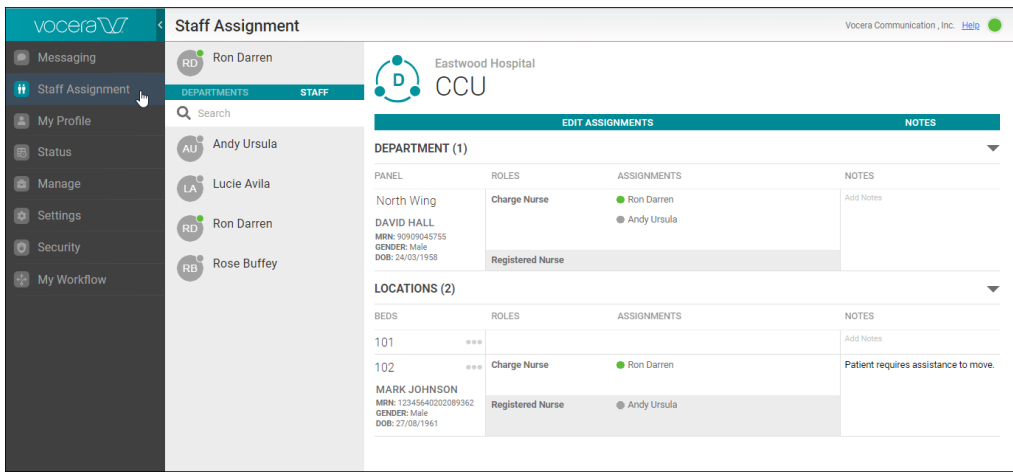

Use the Staff Assignment feature to assign nurses to beds. It allows you to view departments and search for staff members within a department, send messages to care team or individual staff members, remove a staff assignment, and add notes related to a patient.

Viewing Departments

This topic describes the steps to view the departments within a facility.

To view departments within your facility, do the following:

- 1. Navigate to **Staff Assignment** module.
The Staff Assignment page opens and lists the names of the staff in the default department.

- 2. Click **DEPARTMENTS** to view the departments within your facility.
The list of departments within the facility are displayed.

The screenshot shows the Vocera Staff Assignment interface. On the left is a navigation menu with options: Messaging, Staff Assignment (selected), My Profile, Status, Manage, Settings, Security, and My Workflow. The main header displays 'Staff Assignment' and 'Eastwood Hospital'. Below the header, the 'DEPARTMENTS' tab is active, showing a list of departments: CCU (1 beds) and CCU (1 beds). The 'CCU (1 beds)' department is highlighted. The right pane shows the 'EDIT ASSIGNMENTS' view for the selected department. It includes a table for 'DEPARTMENT (1)' with columns: PANEL, ROLES, ASSIGNMENTS, and NOTES. The table shows assignments for 'North Wing' and 'DAVID HALL'. Below this, the 'LOCATIONS (2)' section shows a table for 'BEDS' with columns: BEDS, ROLES, ASSIGNMENTS, and NOTES. The table shows assignments for '101' and '102'.

Setting a Department to Home Department

This topic describes the steps to set a department as a home department.

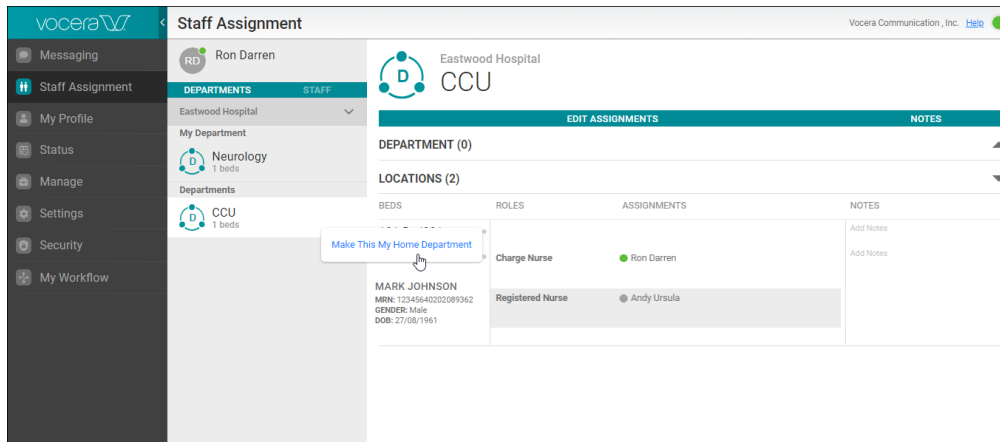

To set a department to home department, do the following:

1. Navigate to **Staff Assignment** module.

The Staff Assignment page opens and lists the names of the staff in the default department.

The screenshot shows the Vocera Staff Assignment interface. On the left is a navigation menu with options: Messaging, Staff Assignment (selected), My Profile, Status, Manage, Settings, Security, and My Workflow.
